COMPANY OVERVIEW

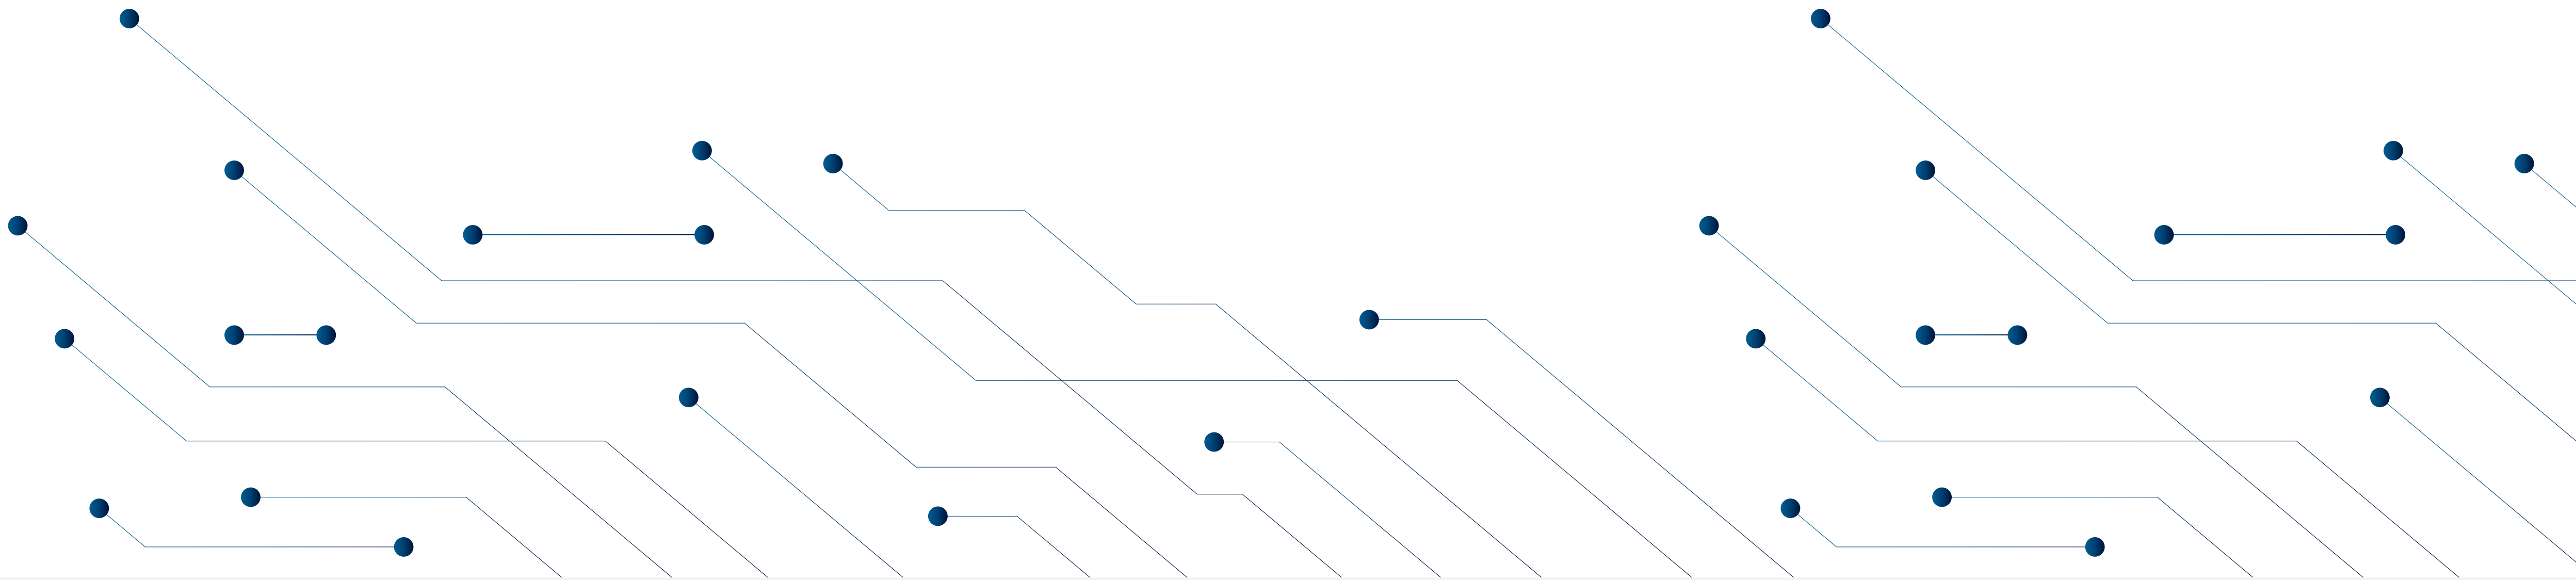

We are a global technology company driving AI-led digital transformation and enterprise software engineering.
We empower businesses to innovate, scale, and transform with intelligence.

FOUNDED IN 2017, HEADQUARTERED IN INDIA WITH
OFFICES IN THE US, UK & CANADA.

EXPERTISE IN AI, DIGITAL TRANSFORMATION &
CUSTOM SOFTWARE DEVELOPMENT.

120+ PROJECTS DELIVERED WITH 87%
CLIENT RETENTION RATE.

BUILDING LONG-TERM PARTNERSHIPS WITH
PRECISION, RELIABILITY & STRATEGIC VALUE.

VISION & MISSION

We aim to shape the future of digital enterprise through intelligent and adaptive solutions that enable lasting value.

VISION

Create intelligent, adaptive,
and enduring technology
ecosystems.

MISSION

Merge AI innovation,
engineering excellence,
and human insight.

**SIMPLIFY COMPLEXITY, ACCELERATE TRANSFORMATION,
AND EMPOWER SUSTAINABLE GROWTH**

OUR ETHOS

Our engagement begins with understanding the client's vision and long-term goals. Our foundation is built on trust, clarity, and accountability.

1

Integrity &
transparency in
every
partnership

2

Excellence as
the benchmark
across design
and engineering

3

Accountability is
the core of every
client relationship

4

Trusted by
forward-looking
enterprises
worldwide

CORE CAPABILITIES

We deliver a unified suite of digital capabilities that help enterprises thrive in the AI era.

1

Artificial Intelligence & Automation
Predictive insights and workflow automation.

2

Product Engineering
Agile, scalable digital product development.

3

Digital Transformation
Modernizing systems for agility and efficiency.

4

Experience Design (UI/UX)
Human-centered, seamless digital experiences.

5

Cloud & DevOps Enablement
CI/CD, cloud migration, and automation.

6

Digital Consulting
Advisory on AI adoption and digital readiness.

OUR PRODUCTS

We build next-generation enterprise products that solve real-world challenges through intelligence and scalability.

HI.EV

Smart EV charging ecosystem with AI-driven analytics.

FACILITYHUB

Facility management platform with predictive maintenance.

VALESTONE

Ticketless, automated parking and mobility system.

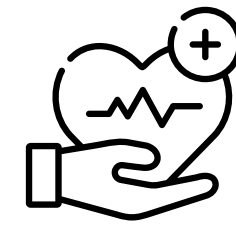

DESIGNED TO DELIVER EFFICIENCY, INTELLIGENCE, AND SCALABILITY

INDUSTRY EXPERTISE

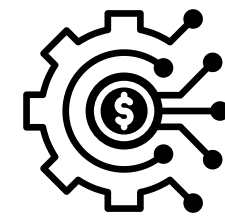

We deliver technology-driven solutions adaptable to every business domain. Our expertise spans multiple sectors while continuously expanding into new and emerging industries.

EV

Healthcare

Fintech

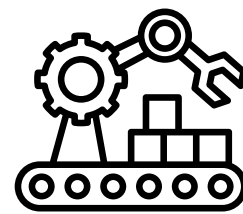

E-commerce

Education

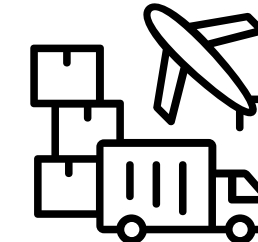

Real Estate

Manufacturing

Travel

Logistics &
Transportation

Our capabilities are not confined to these industries - we continue to collaborate across diverse sectors, delivering innovative solutions that drive transformation and long-term success.

GLOBAL IMPACT

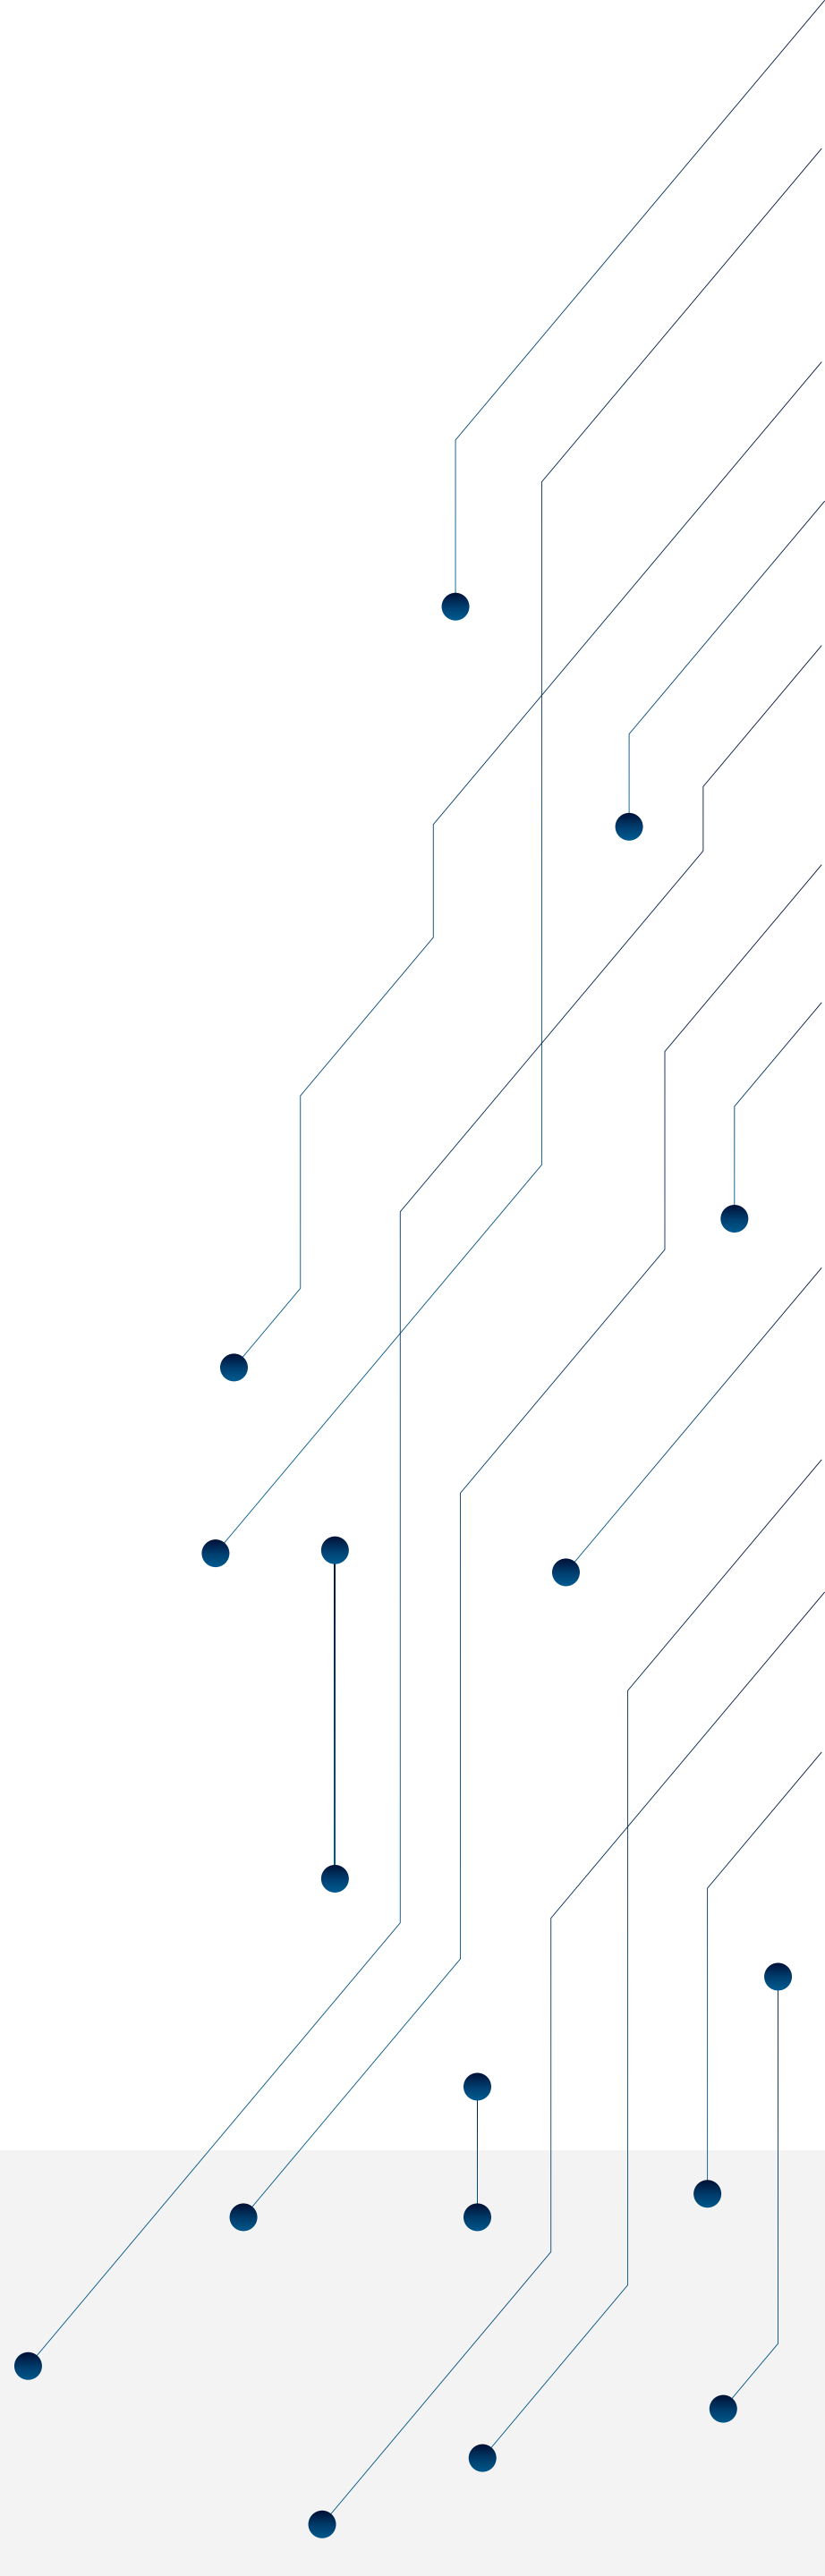

Our footprint spans continents, enabling real-time collaboration and consistent quality delivery.

STRONG GLOBAL DELIVERY NETWORK ACROSS INDIA, US, UK & CANADA

OUR CLIENTS

We partner with visionary brands that trust us to deliver measurable transformation and growth.

Crest

Gravitrain

Topsy

AgeVolt

Steefo Steels

Partnerships built on trust, agility, and reliability.

Proven record of delivering sustainable digital transformation.

CLIENT TESTIMONIALS

Tiquant Inc.

“Glasier’s team became an extension of our own agile, proactive, and accountable.

Their engineering precision and strategic depth helped us accelerate product cycles without compromising quality.”

AgeVolt

“Glasier modernized our EV technology platform with speed and precision.

Their adaptability and clarity in execution gave us a competitive edge.”

Crest

“Glasier brought structure and creativity to our transformation initiative.

Their clarity and delivery discipline exceeded expectations.”

Gravitrain

“They balanced scalability, usability, and performance across every phase of our product journey a true technology partner.”

DELIVERY FRAMEWORK

Our proven five-stage delivery model ensures scalability, quality, and measurable outcomes at every phase.

- **Discovery & Strategy**
Define objectives, scope & KPIs.
- **Design & Architecture**
Blueprint scalable, secure systems.
- **Agile Development**
Iterative, collaborative development cycles.
- **Testing & QA**
Rigorously validate reliability & performance.
- **Deployment & Optimization**
Smooth rollout & continuous enhancement.

LEADERSHIP & CULTURE

Led by visionary leadership, we foster a culture that values innovation, accountability, and collaboration.

MR. RIDHAM MODI
(Founder & CEO)

Driven by People & Principles

- 60+ professionals globally.
- Collaboration over hierarchy.
- Innovation beyond convention.
- Accountability in every action.

RECOGNITIONS & ALLIANCES

Our trusted partnerships and global recognitions highlight our commitment to innovation, reliability, and excellence.

GLOBAL PRESENCE

Our distributed delivery model ensures global reach with local expertise and real-time collaboration.

India (HQ)

A/6, Safal Profitaire, Corporate Rd,
Ahmedabad, Gujarat 380015.
