Headquartered in India, we operate with a strong international presence across Asia, the Middle East, Africa, and Latin America. With an integrated value chain covering R&D, formulation, manufacturing, marketing, and global distribution. Glasier Wellness stands as a reliable partner for healthcare professionals, distributors & clients Internationally.

Company Overview

Established : 2015

Head Office: Gujarat, India

Core Areas : Skincare, Cosmetics, Haircare, Healthcare & Nutraceuticals

Portfolio : 250+ clinically proven formulations

Global Reach : 5+ International markets

Our focus is on delivering safe and result-oriented products that enhance health and confidence globally.

Governance, Ethics & Compliance

We operate on the foundation of integrity, transparency, and responsibility.

ISO & GMP-compliant manufacturing with stringent quality control.

Stringent compliance with international regulatory standards.

Ethical business practices and transparent corporate governance.

Robust pharmacovigilance and data integrity protocols ensure safety & accountability.

Research, Development & Innovation

Our dedicated R&D division plays a central role in shaping innovative, high-performance formulations.

We bridge science with wellness - creating meaningful solutions for a modern world.

Manufacturing Excellence

Our robust manufacturing ecosystem includes both in-house facilities and accredited third-party manufacturing partners. These collaborations enable us to offer specialized processes while maintaining full traceability, quality control, and compliance with international standards. All partner facilities are approved through our supplier qualification system and subject to periodic audits.

Each product is developed and produced under stringent supervision to meet international safety and efficacy benchmarks.

Product Portfolio

We offer a diverse, evidence-based product range designed for both clinical and consumer markets:

SKINCARE & DERMATOLOGY
Therapeutic and cosmetic formulations for skin health.

HAIRCARE
Scalp and follicle-nourishing products for targeted care.

COSMETICS & PERSONAL CARE
Dermatologically tested beauty & hygiene solutions.

HEALTHCARE & WELLNESS
Nutraceuticals and supplements supporting overall vitality.

Our comprehensive portfolio ensures a balance between clinical performance and lifestyle wellness, serving the evolving needs of healthcare and consumer sectors globally.

Delivering With Efficiency

In FY 2024–25, our company achieved outstanding production and sales across its dermatology, healthcare, cosmetic, and nutraceutical portfolio, reflecting its strong manufacturing infrastructure, scalable operations, and reliable global distribution network, reinforcing its capability to meet growing market demand with consistent quality & excellence.

SR.NO.	PRODUCT CATEGORY	UNITS
1	Tablets	18 Lacs +
